

THANK YOU FOR GROWING WITH US.

Greetings from Duke Gardens! On behalf of everyone here, thank you for your recent membership gift.

Membership is the best way to experience all that Duke Gardens has to offer. From exclusive members-only opportunities and events like our fall and spring plant sale previews to special discounts on education programs and reciprocal admission benefits at more than 300 gardens across North America, your membership will give you a deeper connection to this beloved place.

You are also playing a vital role in helping the Gardens grow, now and for years to come. Duke Gardens receives more than 60% of its operating budget from supporters like you, whose gifts enable us to nurture a world-class botanic garden in the heart of Durham that is free and accessible to all visitors.

We hope you enjoy the benefits available to you as a Duke Gardens member, which are listed on our website at gardens.duke.edu/membership. If you have any questions or need additional information, please don't hesitate to contact us at (919) 730-3144 or GardensMembership@duke.edu.

Thank you again for helping us cultivate fertile ground for learning, inspiration and enjoyment. Thank you for growing with us!

Best wishes,
